GOING GREEN

Maintaining a lush lawn in Arizona can be tricky. Thanks to DuPont™ ForeverLawn® Select Synthetic Grass, the task is now easier. The product has the look of real grass and features multicolored blades and a tan thatch. It is manufactured from a durable fiber that is said to withstand heavy foot traffic. Four varieties are available, with different blade heights, hues and fiber density. Learn more by contacting ForeverLawn Arizona, (480) 726-2411.

MOD SQUAD

DCS by Fisher & Paykel has introduced the Liberty Collection, a new line of appliances that allows homeowners to customize the components of their outdoor kitchen. The modular system is composed of such pieces as a sink, griddle, grill, refrigerator, cooling drawer and beer dispenser. According to the manufacturer, more than 260,000 configurations are available. The line can be ordered through Arizona Wholesale Supply Co., (480) 596-0092.
