

Natural appearance for a pristine landscape.

Remarkable natural grass appearance.

A waterless, low-maintenance alternative to live grass.

Great for areas where natural grass is difficult to grow or maintain.

Exceptional resiliency and improved performance.

Designed for long-lasting installations in any climate.

LandScapes™ Select Synthetic Grass

has taken realism to a new level. This innovative line of fine-bladed, lush synthetic grass features a tan thatch, multicolored blades, and Memory Fiber™ yarn that offers a remarkably realistic appearance and performance. Ideal for residential and commercial landscaping, LandScapes® Select Synthetic Grass offers resilient blades and dense construction. Built on the ForeverLawn proprietary platform, this beautiful product line is great for replicating a natural grass look and feel in any environment.
